

## WHAT ARE YOU GOING TO DO THIS SUMMER?

It's that time of year people ask, "What are you going to do this summer"? Could you imagine the power of a truly countercultural response coming from someone saying something like: "Oh, this summer, I just plan to abide; I'm looking forward to opportunities to live into Christ's call to lay down my life for my friends, to love one another, and thereby bear much fruit, that will last" (John 15:9-17).

Soon the Easter season and academic year will end, and summer will begin. What a great program year we had where many of you, all ages and stages, came together on Wednesday evenings for our Cross+Gen nights. Something special happens when God's children of all ages and stages come together for food, fun, fellowship, faith sharing and choir practice.

The Lenten Soup and Bread nights were especially meaningful this year thanks to confirmands and elders alike who all who read, played, cooked, cleaned, coordinated, taught, sang, contributed monetarily, participated in skits, and worshiped together throughout the Lenten Season. The Holy Week. Please know that the help you provided is invaluable. Your willingness to put yourself forward and lend your gifts and abilities not only contributes to the many tasks at hand but deepens the connection with one another. This strengthens a church's ministry and purpose when people come together to learn worship and grow in their faith, it also ensures its continuance. This momentum can continue, for there is much to look forward to this summer!

## LCMC NW District News

Attention Youth! The LCMC NW Youth Impact Youth Retreat entitled “Saved” happening this fall at Shoshone Mountain Retreat, October 18 – 20, 2024 for students in 7<sup>th</sup> – 12<sup>th</sup> grades. Save the date now and RSVP to the church office indicating your desire to attend this time set apart to grow in faith while having a fun-filled action-packed weekend where you will meet new friends from our vast (5 state, 2 Canadian Province) district. The cost to attend? Just a \$50.00 commitment fee per student and sponsors committed and willing to transporting and attending with our youth. We give thanks that the cost, only 130.00 per youth, is subsidized by the LCMC NW District and by the Trinity Lutheran Church Memorial Youth fund.

## Trinity Youth

The Earth Week Can Drive supporting the youth’s *Change your Heart, Change the World* fund earned \$ 58.38. Thank you to everyone who contributed cans and to Arlan, Bob, and Rodney for transporting them to Pacific Recycling. Please know this initiative is ongoing and you can contribute at any time, just look for the bucket! I can’t wait to see what “good fruits” will come from this initiative.

## Lay Preaching

Be sure to thank Denise Walk when you see her for her commitment to study and participation in the LCMC’s Lay Preacher training. She has already blessed this congregation with the fruits of this training and will continue to do so.

## Property Board

The resurrection of the Trinity Lutheran Property Board this past year has certainly been a blessing. Remember to express your thanks to those who regularly participate in the maintenance and upkeep of the church building and grounds.

## Missionary Visit

There is so much more to come this summer: Summer Movie Nights will soon begin, the Ekka’s from the World Mission Prayer League will be here to give an update on their ministry, and The Normal Hill Yard Sale will be coming in July. Gather your donatable items and see the attached calendars for more info.

As you head off on your summer adventures, remember to keep *abiding in Jesus’ love just as our Savior has kept his Father’s commandments and abides in His love.* (John 15:9-10). Commit now to stay connected by continuing Sunday morning worship via the Trinity Lutheran Live Stream accessible through the Trinity Lutheran

Webpage or Facebook. Another option? Plan to meet new brothers and sisters in Christ across our associations by attending Sunday morning worship at one of the many LCMC/NALC churches along your way this summer. These are all great ways to stay connected this summer.

Last, but not least help your church avoid the summer giving slump. If you've never heard of the summer giving slump, according to Vanco Church Resources it is the term churches use to describe the lull in donations received during the summer. Research shows that church members are typically less involved during the summer. People struggle to keep a routine and may fall out of the good worship (abiding) habits they've kept up for the year so far. And remember, Jesus promises, *"the Father will give you whatever you ask him in my name. I am giving you these commands so that you may love one another"* (John 15:16b-17).

It is possible to get excited for summer while also keeping good faith habits and staying connected to Jesus, the Vine. Remember, God doesn't take a backseat on summer break...or does He??? He is, after all, with you *wherever* you go.

"In the name of the Father, and of the Son, and of the Holy Spirit." Amen.

# Overview of our upcoming HIGHLIGHTS

## **Vacation Bible School - June 13th.....**

This years' Vacation Bible School will end with a special campfire event in the Trinity Lutheran parking lot. There will be "S'more" time to Learn about Jesus! Come join us for s'mores and more! We will provide the fires, goodies and do the toasting; just make sure your little ones are supervised. It would be a good idea to bring camp or lawn chairs, if possible, for any family members attending. You are all invited! VBS is scheduled to end at 8pm, so we will meet in the parking lot afterwards. See you there!

## **Annual Normal Hill yard sale - July 27th.....**

The Quilting ladies of Trinity have graciously agreed to make a quilt for Trinity to raffle off during the Annual Normal Hill yard sale. Trinity will again be participating in this event, so be saving your donations for the sale and also be ready to buy some tickets for a one-of-a-kind beautiful quilt made by some pretty special ladies. Ticket prices will be announced later. Also, if you need to have a place to keep items for the yard sale prior to July 27th, we have designated the East side downstairs store-room next to the women's room to store items until the sale. If items are really large, we may need to make other arrangements.

## **"Back to School Blast" - August 17th.....**

Trinity's second annual "Back to School Blast" is happening again, with lots of great activities for the kids to do. We had TONS of fun last year, so plan on attending again and have your kids bring friends! This is a chance for the kids to burn off some energy before their school year starts. Then on Sunday, the next day, we will have a blessing of the back packs for the kids. What a great way to start your child's school year!

May is our last month of the school year. Our last day of school will be May 24th. We have so many fun activities planned for this month. We will be having an end of the year party, details are still being worked out. I will notify everyone as soon as it's all planned out. Mothers day and Father's Day activities are picked out, and those will go home with the kiddos closer to those dates.

I am so thankful to have been able to experience my first year of being a preschool teacher with the best group of kids. I may have been their teacher, but they have taught me so much as well. If anyone has any recommendations of what I can do better for next year, please let me know!

Thank you all for the best first year of teaching!

## Graduate quotes-

"Family Promise gave me the ability and tools to live independently as a single mother"

"This program is not for the faint of heart. It is hard work and requires discipline, but without Family Promise, I wouldn't be where I am today."

"These people took time out of their lives to love us and support us. The memories we share will forever be in my heart"

Your partnership with Family Promise makes it all happen! The transformation in the lives of families would not be possible without you. We continue to do our best to provide a method for adults with children to make the life-changing move from the homeless population to permanent sustainable living. We appreciate your one-time contributions, but I would encourage you to consider making a "sustaining monthly electronic gift." Mark the box below and we will contact you. You set the amount and the start date and cancel anytime with a quick call.

30,000 Diapers - 600 Packages of Wipes - 400 Valley Babies

In addition to serving families, we are committed to helping assure that babies in the valley have access to diapers and wipes. The Family Promise Diaper Bank distributed 30,000 diapers last year to over 400 valley babies in need. We provide a week's supply of diapers and a package of wipes to anyone who calls. You can designate your gift to valley babies by writing Diaper Bank on the memo line of your check. Thank you again for your willingness to be a part of the solution for families in crisis in our community. Working together we can meet the need and provide help and hope for all in our valley.

I will find hope by  
remembering that  
God's compassion never  
fails. His mercy is new  
every morning.  
He is faithful.
